COMMERCIAL INVOICE

- It is made in two copies and must contain the usual mentions. It can be written in English.
- For pre-board screening, the invoice must specify the FOB amount, the cost of freight and insurance.

EUR1

Although Somalia does not consent to a preferential customs regime for products originating in the European Union, customs services may require a document EUR. 1 when importing these products and, in particular, ' where these are incorporated into the manufacture of a local product and re-exported to the EU '.

Consignments, less than EUR 6 000 or made by an authorised exporter, may result in the establishment of a declaration as for EUR. 1 and in particular, ' when incorporated in the manufacture of a local product and re-exported to the EU ' . It must be drawn up on an invoice, a delivery note or any other commercial document describing the products concerned in a sufficiently detailed manner to be able to identify them.

Certificate of origin

For products of Community origin which are not eligible for the EUR. 1 document and for non-Community products, a certificate of origin is requested. The certificate of Origin forms are circulated by the specialized printing companies as well as by the chambers of Commerce and industry. The CCI Paris Ile-de-France and numerous provincial kics propose dematerialised certificates: <https://www.formalites-export.com/>

The rules on the issuance and use of certificates of origin are specified in the Certificate of Community Origin document.

Required certificates

DEPENDING ON THE KIND OF COMMODITY

- For meat and by-products of animal origin (milk, eggs, meat preparation, etc.) : **sanitary certificate**
- For fruits, vegetables, seeds and other plants : **phytosanitary certificate**

Transport and packaging

Transportation documents :

The main transport documents are the bill of lading, the LTA or AWB air waybill, the international CMR consignment note and the international CIM consignment note.

Packing list :

This list summarizes all the exported goods and specifies the volumes, the number of packages, crates, containers as well as the exact quantity of the goods.

Transport insurance :

There is no obligation of local insurance, that is to say of obligation to assure, in Eritrea, the international transport of goods.

Commodities control :

Shipments to Somalia must give rise, prior to embarkation, to a new inspection program that deals with the quantity, quality and price of goods. This inspection is carried out by an approved company : Bureau Veritas

Passport Business Visa:

Obtaining a visa is necessary. It can be obtained from the Somali embassy in Nairobi. The Ambassador of France in Kenya is also the Ambassador of France to Somalia.
